Christine -- Thanks for your note; and I think we continue to learn more about the emissions matter every time we get together so we believe our meeting was time well-spent.

I am going to forward the report and the appendices (A-F) in batches so that I don't overwhelm yours or our systems. You will see a series of about 5 emails with the document, and I will make a comment on the final one so that you know you have the last. These will be all pdf's, and as you mention you have the excel file, I will not be sending that document.

Let me know if you have any issues with the emails.

Thanks
Elizabeth

Elizabeth,

It was nice meeting with you recently. As it turns out, we do not seem to have an electronic copy of the final test report for asphalt. Would you be able to email me the report and its associated appendices? We do have the spreadsheet of minute by minute data for asphalt, so no need to email that file.

Thanks in advance for your help.

Best,
Christine
